## SAYS TERM OF COMMONS WILL END AUGUST 18

Minister of Justice Declares Present House Will Not Exist Beyond That Date

## ELECTION WRITS BEFORE THEN

Canadian Press  
Ottawa, April 4.—The present House of Commons will dissolve automatically August 18, it was intimated in the House of Commons to-day by Minister of Justice Hugh Guthrie.

The day will be five years from the return of the writs for the 1935 election.

A series of questions dealing with the dissolution of Parliament was submitted to Mr. Guthrie three days ago by Liberal Leader Mackenzie King.

The Justice Minister said he was not prepared to say what day marked the return of the writs in the 1935 election. The inevitable practice, however, was to adopt the day subsequent to the dissolution which, in 1930, was August 18.

Later Mr. Guthrie was asked by the Liberal leader if the government would follow the inevitable practice. He could not say definitely, Mr. Guthrie said, but in his own opinion, the practice would be followed.

To another question, Mr. Guthrie said there was no law on the point, but it had been the practice to issue election writs during the duration of Parliament.

### EASTER ADJOURNMENT

Ottawa, April 4.—Adjournment of Parliament for a considerable period at Easter will be called by the government, says George Frost, Acting Prime Minister, and Chairman of the House of Commons.

Mr. Frost said the Cabinet had been told that it would be prudent to provide information to members. The date of the adjournment would depend on the progress of business, he added.

Mr. King said it understood Prime Minister Mackenzie intended to call Parliament at the King's birthday, October 22, and asked for a definite date, and asked if any other minister or official would accompany him.

Only the Prime Minister of the Dominions had been invited to London, Sir George replied.

## Convicts Chop Off Their Feet

Self-mutilation Discovered In Texas When Guards Accused of Brutality

Associated Press  
Houston, Tex., April 4.—The late condemned, Carl Burrow, was blamed today for introducing the self-mutilation idea at the Retrievre prison farm where several convicts have chopped off their feet.

The Burrow influence at the Angelton, Texas, institution was discovered by Leo Shamus, a member of the state prison system, after Gov. John N. V. Allard had ordered an investigation. Shamus said he had seen some convicts had mutilated themselves because of the brutality of guards.

"We found six convicts who had chopped off their feet with saws or mutilated themselves in other ways," Shamus said in a public report on physical examinations of all the inmates.

"The convicts have been doing that ever since Clyde Burrow chopped off his feet while he was in prison, to get out of work. It is a form of rebellion by the convicts."

## Book Published By New Governor

"The King's Grace" Is Tribute By John Buchan to Achievements of King George

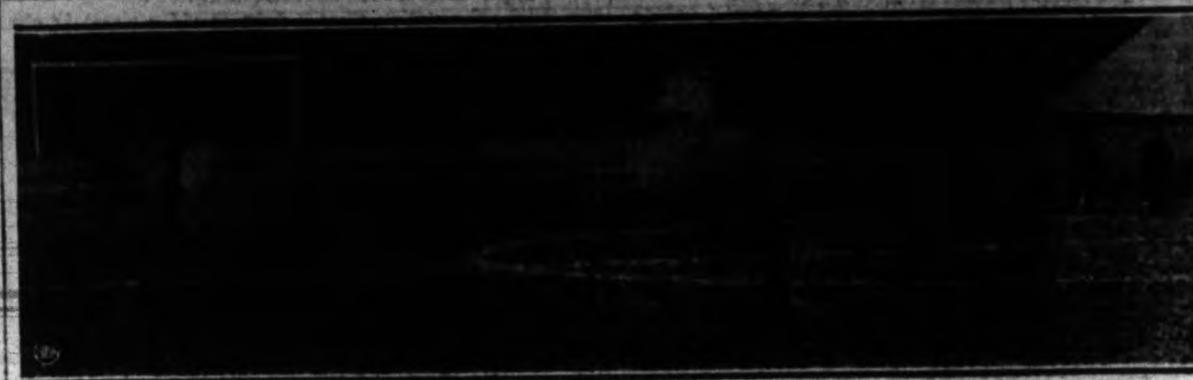

Canadian Press from Ottawa  
London, April 4.—The contribution of John Buchan, Governor-General designate of Canada, to the literature of the century, "The King's Grace," was published to-day.

The book is a striking tribute to King George V, his personality, and his work for the nation and the Empire through the twenty-five years of his reign.

"His quiet sympathy and kindness have warmed the country, and done something to make a better world. What has been built up by his leadership has posterity than, and when strife was fermenting he has made healing work," writes Sir Buchan.

"The power of the throne lies in what it is, but the authority of the

### CANCER TOLL INCREASING

Fund Sponsors Point Out Need For Research to Combat Disease

During 1933, according to statistics, over 200 people in British Columbia, esp. air force, suffered cancer and died. This is a steadily rising rate. It was in 1930 claim, sponsor of the King's cancer cause fund point out.

In the last few years British Columbia's population has not increased to any great extent, but still the annual number of deaths from cancer increases. If something is not done to combat this, the toll will be even greater in the future.

To many people cancer is only a name. It should be much more than that.

Cancer begins as a growth. At the start it appears in one particular part of the body, but it does not remain there. As the cancer grows it tends to invade the deeper tissues. The rate of growth varies considerably. But whether quickly or slowly, its poisonous roots impossibly eat their way into the surrounding tissues. Healthy tissues disappear as the destroyer invades. Nothing stops it. The victim may succumb quickly, or he may linger for a long time, either one. The disease has raised a firm hold, and the chances of escape are practically nil—and the final outcome is death.

For many years the best brains of the medical profession have striven to determine the cause of cancer, for there has been no definite result.

At present, due to the mounting efforts of medical science human beings can look forward to longer and healthier lives than any of the generations before them. Apart from this success cancer stands in sinister isolation, grimly making ever increasing inroads on life as the years go by.

### Worker Falls And Loses His Life

Canadian Press  
New Westminster, April 4.—P. Bart, thirty-six, a resident of Port Mann, was instantly killed when he fell seventy-five feet from a bridge over the Fraser canyon at Chapman's Bar, near Boston Bar, yesterday.

Bart, employed on a railway ditcher, was walking along the bank when he apparently lost his balance and fell into the canyon.

Life Insurance Officers and Ontario Municipal Consumers of Hydro Discuss Results of Proposed Cancellation By Ontario of Contracts With Quebec Power Companies

Toronto, April 4.—Emergency meetings were being held here to-day by the Ontario Municipal Electric Association, municipal consumers of hydro, and the Canadian Life Insurance Officers' Association, representatives of firms holding large blocks of bonds to the new Quebec power companies whose existing contracts have been declared invalid by Premier Maurice Duplessis.

### MAY END CONTRACTS

Toronto, April 4.—Suspension of contracts for Hydro-Electric machinery valued at more than \$10,000,000 has been ordered as a result of the proposed cancellation of the Ontario Hydro Commission's contracts with a number of Quebec utility companies.

Officials of the Beauharnois Power Company announced they had sent a letter to the Canadian Westinghouse Company at Hamilton, Ont., and to the General Service Co. at Peterborough, Ont., notifying them

of the event of the Ontario government cancelling their contract it would be necessary for them to request these firms to suspend work on all twenty-five-cycle equipment manufactured for the Beauharnois Company. Officials said the equipment could not be used for any other purpose.

### THREE BIG UNITS

The Westinghouse Company is building the transformers for three units that are planned for in the Hydro Commission's contract, while the general electric Company is constructing the generators at its Peterborough plant.

Edmonton officials of the Beauharnois Company said, and as Ontario was the only purchaser of twenty-five-cycle power, work might have to be suspended.

### DEPUTATION PLANNED

Toronto, April 4.—The executive committee of the members of Quebec power companies, meeting

### GREEK REBEL TO BE EXECUTED

Associated Press  
Salonika, Greece, April 4.—A court martial to-day condemned to death Major Volanis, one of the military leaders of the recent Greek rebellion. The sentence, pronounced after the judges had deliberated for four hours, was expected to be executed immediately.

Leadership does not exist only in a strong man imposing his will upon others. As a far profounder sense the King has shown himself the leader, since the true task of leadership is not to put pressure into humanity but to assist it, move it forward.

"True fruit is the basis of all religion. It is the only justification for democracy. It is the chart and compass of our moral life. The King is to-day far more a prophet than when an Edward I., a Henry returned in triumph from French wars.

"True justice is the basis of all law. It is the only way to change their society, their laws, their customs.

"True freedom is the basis of all political action. It is the only way to give the people a voice in their government.

"True honour is the basis of all personal conduct. It is the only way to keep the public honest.

"True love is the basis of all family life. It is the only way to keep the home happy.

"True health is the basis of all physical well-being. It is the only way to keep the body strong.

"True wealth is the basis of all material well-being. It is the only way to keep the pocketbook full.

"True power is the basis of all political influence. It is the only way to keep the government honest.

"True knowledge is the basis of all education. It is the only way to keep the mind sharp.

"True art is the basis of all culture. It is the only way to keep the soul happy.

"True religion is the basis of all spiritual life. It is the only way to keep the spirit pure.

"True government is the basis of all political organization. It is the only way to keep the state honest.

"True law is the basis of all justice. It is the only way to keep the scales balanced.

"True order is the basis of all social organization. It is the only way to keep the community peaceful.

"True beauty is the basis of all aesthetic pleasure. It is the only way to keep the eye happy.

## WATCH FOR ME

### NANAIMO PLANS TOURIST RALLY

Mass Meeting Will Be Held By Tourist Group April 27

Nanaimo, April 4.—Preparations are under way for the mass meeting to be held here on April 27, under the auspices of the Vancouver Island Tourism Trade Development Association.

The city will be decorated and illuminated for the occasion, Mayor John Kirby states. There will be an open air stage in the afternoon in the evening the largest hall in the city, capable of seating 1,200 persons, will be secured for addresses by mayors, reeves and district representatives from unorganized sections. A musical programme will be arranged.

### GOVERNOR AT HIGH SCHOOL

(Continued from Page 1)

day which his young subjects should enjoy and remember. He stressed the close interest of the King in the work of all his young subjects in all parts of the Empire.

#### MOST DEMOCRATIC PEOPLE

"In the British Empire," His Excellency told his young audience, "the most democratic people in the world. Other countries are going to the habit of giving up democratic government and having dictatorships. Many others have abandoned the monarchy since the war."

"The British Empire stands as one of the few governed freely and with justice and acknowledging a common

"It might seem that a self-governing nation like Canada did not require a sovereign."

#### POSITION OF KING

"The King holds a remarkable position. He has not only followed the interests of his subjects in an amazingly personal way, but he also has the benefit of continuity and the accumulated experience of those before him."

"The democratic system with a sovereign at the head is the finest system in the world."

The Governor-General was introduced by H. L. Smith, principal of the High School. He was thanked by Strom Robertson, president of the Students Council of the school, who referred to the encouragement which youth found in the interest taken in him by those who had succeeded in life.

His Excellency's visit was informal, and he was accompanied by only one aide, Captain M. Fisher Rowe.

Those seated on the platform included W. C. Morey, chairman of the Board of Education; Mr. E. Macdonald, P. E. George, Mr. K. Ferguson, G. L. Campbell, assistant principal of the school, and Miss Adele Macdonald and Miss Ella Cameron, representing the faculty of the school.

### Budget Is Voted And M.P.'s Await New Bills

(Continued from Page 1)

The Liberal amendment was voted on last night rejected by 104 votes to 72, with six U.P.A., two Progressive, voting with the Liberals. (Grove, McNeil, McNaught, Woodsworth, Hayes and Miss MacPhail), and five U.P.A. members and one

### FREIGHT RATE GIVES MARGIN

Acts as Protective Tariff Against Alberta Coal, Commission Informed

#### Canadian Press

Nanaimo, April 4.—The Royal Commission investigating coal and oil products in British Columbia, convened to-day in the Canadian Collieries office, overlooking No. 1 Mine, to go into office accounts and records of the Collieries and the Western Fuel Company, over a period of several years.

J. Pitcairn Hogg, commission counsel, conducted the inquiry with Patrick Fagan again on the witness stand. Price structure of coal sales is arranged by J. H. Pionner, witness informed counsel, who established the fact that the 50 cent rate on Alberta coal is a protective tariff with the colliery, giving them that margin.

Expenditures for repairs and maintenance and renewal of plant equipment were traced through the years, and Mr. Hogg was informed that the expenditure was taken from the earnings and that it enters into the cost of coal.

Mr. Hogg was termed as a capital asset by Mr. Fagan, who said it was there whether or not the equipment was repaired.

"There comes a time when it must be replaced," he said.

#### COST REDUCTIONS

Colliery pointed out reductions in the cost of coal in several years, back to 1925, and declared the plant and equipment was so efficient it could take advantage of advantageous conditions in the season to reduce the cost of coal.

This was entirely due to working conditions, and methods of mining, and the plant could not enter into this phase of the proposition, said witness.

Detailed statements, which will take some time to prepare, will be secured to show exactly what renewals and repairs were made on the plant and equipment.

Mining development and exploration, explained as the opening up of new areas in an existing mine, or the re-opening of old levels, were thoroughly discussed. Mr. Fagan said that although the term was used in the contract, there is really no liability charge against exploration, which is the sending of engineers and surveyors out to look for new mines.

This will also be shown in detailed accounts. Charges for working funds and surveying are also disclosed, over a period of years.

#### PROBLEMS TO SOLVE

The Times' commentator said the Ontario Government's policy had made a bad impression in the city.

Contractors based in the Comox area said that although the term was used in the contract, there is really no liability charge against exploration.

Mr. Hogg requires a statement authorizing the Hydro-Electric Commission to buy power from private companies.

#### COAL ACREAGE

The Canadian Collieries (Dunsmuir) Limited possess 30,000 acres of land in the Comox area, 2,600 in Wellington and 34,000 in Nanaimo.

Contractors based in the Comox area said 2,157 acres, in Wellington to 1,125 acres, and in Nanaimo to 2,600 acres. There is very little marketable timber on any of these properties. Mr. Hogg requires a statement on time paid for land not used for actual mining purposes. This will be shown in the statement.

Only 114.16 acres of land, exclusive of Nanaimo Island, have been sold by the Canadian Collieries in the last six years. Taxes are charged against the cost of mining.

Mr. Fagan explained it was impossible to secure coal rights sometimes without purchasing the surface land, which it was unable to dispose of later.

"We must be prepared to continue mining," he said, "but to-day we can't give our surface lands away."

The hearing is continuing.

### JOE CELONA IS OUT ON BAIL

In Vancouver \$40,000 Posted Pending Appeal Against Conviction

Vancouver, April 4.—Joe Celona, convicted by an assize court jury here on two counts of procuring, was free-to-day on bail pending hearing of his appeal.

Chief Justice J. A. Macdonald at Victoria on Tuesday set the bail.

Stuart Henderson of Victoria, Celona's counsel, filed notice of appeal.

Celona was released yesterday afternoon.

Josephine Pagundis, Celona's divorced wife, and Mrs. Mary Iaco each posted surties of \$5,000. Celona's recognizance on the remaining \$50,000 was accepted. The two surties, which were to be held in the name of the provincial secretary, were added to the \$50,000 approved in court after J. P. Mather, registrar, had demanded that certificates of title from the land registry office be shown.

Col. Eric Pepler, of the Attorney General's department, opposed the application for bail, or for an alternative that it be set at \$50,000.

Chief Justice Macdonald ruled Celona was entitled to bail, but he would set it at a high amount commensurate with the crime with which he had been found guilty.

In a previous posted trial, Celona previously was forced to raise \$50,000 for bond on a charge of living off the avails of prostitution on which he will face trial later during the present assizes, and \$10,000 on a conspiracy charge pending against him, an Officer of Police John Cameron and several others.

## LIBEL ACT TO BE AMENDED

Measure Before Alberta Legislature Would Put Restrictions on Press

**Pensions For Blind Debated**

Commons Hears Suggestion Provision Be Made in Separate Act

**Publication of blasphemous or obscene matter would be prohibited and provision of a \$5,000 fine for violators of the act is made.**

**Amendment of the Libel and Slander Act would make it insufficient for a newspaper to apologize after a libel had been committed, take such analogy into consideration in deciding any suit which ensued.**

## COMBINES ACT DEBATE ENDED

Private Bill to Amend Measure Given Hoist in Senate

Ottawa, April 4.—Six months' hoist was given in the Senate yesterday to the measure, Senator J. P. B. Casgrain, Liberal, Montreal, to amend the Combines Investigation Act and the Criminal Code so as to modify provisions on what constitutes a combine.

A sudden and painless death was administered to the bill. It was immediately followed by the sponsor's speech when his hon. Senator Raoul Dandurand criticized the proposal and moved second reading to be proceeded with "six months hence." The Dandurand motion carried without a recorded vote.

Motion for adoption of the report of the public health and inspection of meat committee was stood over till to-day.

The committee's report, presented by Senator Beland, is an adaptation of a resolution moved by Hon. J. H. King, Liberal, Victoria, B.C., approving the proposed Dominion convention of health and welfare which will be an association of health and certain general health conditions in the country. It recommends government grants to associations carrying on education work in the field of social health and prevention of disease, and renewal of grants to the Mental Hygiene Council and the Canadian Hygiene Council.

Kelowna, B.C., April 4 (Canadian Press).—An epidemic of measles caused postponement of the annual Okanagan Musical Festival, which was to have started here today. The festival will start May 20 and continue for three days.

"Build B.C. Payroll"

Vitamin-D and Vacuum Packing

Irradiation By The Ultra-Violet Ray

Doctors others will follow the example of Pacific Milk in our research work on irradiation of milk by the Ultra-violet Ray to increase the Vitamin-D content.

Undoubtedly this increase can best be maintained by vacuum packing.

Pacific is the only vacuum packed milk in Canada.

## GOLD TRANSFER REPORT GIVEN

Ottawa, April 4.—The value of the gold taken over by the Bank of Canada from the chartered banks, at \$10,000 a day, was \$19,000,000, Minister Peter H. St. John told Hon. Ian Macdonald, Liberal, Vancouver Centre, in the House of Commons yesterday. The Canadian Bank of Commerce sold the largest amount.

Total deposits of the chartered banks in Canada as of March 12 were \$151,297,587. The Bank of Canada Act requires every chartered bank to maintain a reserve in the form of a deposit with the Bank of Canada, secured by Bank of Canada notes held by the chartered bank amounting to not less than 5 per cent of the chartered bank's deposit liabilities within Canada.

On February 28, the date of the last return made by the chartered banks, their deposit liabilities within Canada amounted to \$1,944,561,376.

Saskatchewan's \$1,000,000 is to pay outstanding debts of the Saskatchewan Co-op. In addition, Saskatchewan is given some further relief from immediate payment of loans made by the Dominion which matured last month. These totalled \$1,920,015. They were extended for another year.

Canadian Press

Ottawa, April 4.—Loans amounting to \$1,000,000 and \$1,000,000 for British Columbia and Saskatchewan, respectively, have been approved by the government to assist these provinces in taking care of direct relief, according to several orders-in-council tabled in the House of Commons yesterday.

Saskatchewan's \$1,000,000 is to pay outstanding debts of the Saskatchewan Co-op. In addition, Saskatchewan is given some further relief from immediate payment of loans made by the Dominion which matured last month. These totalled \$1,920,015. They were extended for another year.

Canadian Press

Ottawa, April 4.—The Ontario Court of Appeal yesterday upheld the decision of Mr. Justice J. G. Thompson, who ruled that the late Mr. Justice Alfred Snodden, Victoria, B.C.; Alfred Snodden, Toronto, and the Toronto Humane Society could not receive legacies under the will of the late Mrs. Hattie Morris St. Clair, Toronto, until bequests to Elizabeth Miller, Bradford, and to Trinity Episcopal Church, Thornhill, were paid in full in trust.

Mr. St. Clair left \$10,000 to Miss Miller, a former employee, and \$100 to Trinity Episcopal Church. Other legacies brought her total bequests to more than \$10,000. The executors of the will, John Elster Fraser of Ottawa, reported he left only \$2,001 for distribution and for payment of expenses and administration. Mr. Justice Maxine ruled Miss Miller and Trinity Church should be paid in priority to the other legatees.

Canadian Press

London, April 4.—A document put before the Judicial Committee of the Privy Council yesterday showed that shortly after Confederation a Commissioner of Canada was appointed Governor-General of Canada. Some authorities had believed the Earl of Beauchamp in that office, was the first commissioner.

The document showed that more than sixty years ago Sir John Young held office as a commissioner.

Young was appointed Commissioner as a commissioner. He was appointed Governor-General in 1869, on the resignation of Viscount Monck, the Dominion's first Governor-General, who inaugurated the Federation of 1867.

Sir John was created Baron Ligon in 1870. He relinquished the office in 1882.

Baron Macmillan, who raised the matter in the Judicial Committee, said he had always understood Mr. Buchan was the first commissioner to be appointed Governor-General at Ottawa, but the document in question concerning Canada proved otherwise.

Canadian Press

HIGHFIELD, N.Y., April 4.—C. J. Atkinson, seventy-six, former well-known newspaperman of western Canada, died at his home here today following a lengthy illness.

Mr. Atkinson was honorary secretary of the Canadian Club of America incorporated. He was born in Granby, Que., August 21, 1868. After completing his apprenticeship in the printing trade, he worked for short periods of time in the leading cities throughout the eastern part of the United States and Canada.

In 1890 he established The Journal in Barrie, and soon after took over The Manitou Liberal in Portage la Prairie and The Advance in Virden, Man. That was one of the earliest ventures in the modern plan of the chain newspaper.

At the end of ten years Mr. Atkinson sold his interests in these papers and moved to Toronto, where first as a volunteer worker and later on a professional basis, he became one of the leading workers with boys in the Dominion. In 1898 he established the Broadview Boys' Institute of Toronto, an incorporated self-governing boy club for boys.

In September, 1914, Mr. Atkinson was called to New York and became the executive secretary of the Federated Boys' Clubs, now known as the Boys' Clubs of America Incorporated.

During the seventeen years of his administration, up to his retirement in 1931, he saw the organization grow

from a membership of 105 clubs to one with 256 organizations and over 250,000 members.

GERMANY-HAAS PAPER

Berlin, April 4 (Associated Press).—German authorities yesterday banned the Italian newspaper Gazzetta del Popolo for having stated Germany is planning to extend its aspirations to Ireland, where, the newspaper said, the German intent is to "make a base of operation" against England.

It is a rotten case of red tape and an insult to the empire," said the mayor of Hattingen.

The letters were handed over to the post office by the customs officials and it was expected they would be delivered by a mere postal carrier in the ordinary way.

Associated Press

HARROGATE, Eng., April 4.—H. L. Brock, British aviator who completed a record-breaking flight from Australia Sunday, had to make an emergency landing in Scotland yesterday because the unfranked letters he carried from Australian lord mayors had been confiscated by British customs authorities.

"It is a rotten case of red tape and an insult to the empire," said the mayor of Hattingen.

The letters were handed over to the post office by the customs officials and it was expected they would be delivered by a mere postal carrier in the ordinary way.

Associated Press

Washington, April 4.—A drop in the number of families on relief rolls in the United States from January to February was reported by the relief administration yesterday.

Mr. Still agreed any pension scheme for the blind should cover the whole of Canada and should not be linked with the Old Age Pensions Act.

Hon. Ernest Lapointe, Liberal, Quebec East, said that if the committee's report was accepted an injunction would be done the blind persons in Quebec and New Brunswick.

At the request of Sir George Perley, Acting Prime Minister, the question was allowed to stand by the government.

Mr. Still agreed any pension scheme for the blind should cover the whole of Canada and should not be linked with the Old Age Pensions Act.

Harry L. Hopkins, chairman of the committee, reported yesterday that the number of families on relief declined from 4,554,029 in January to 4,485,076 in February, said:

"The encouraging feature of the situation is not the reported decline,

but the absence of any substantial increase which had occurred during recent years in February."

## DECREASE IN U.S. RELIEF FAMILIES

#### GARDEN CITY

A successful entertainment was held in Garden City United Church under the auspices of the Women's Association on Tuesday evening. The programme included one-act play entitled "The Sewing Circle at Mrs. Martin's," this being presented by the following cast: Mrs. M. Peacock, Mrs. H. Scott, Mrs. Smith, Mrs. Whyte, Mrs. J. Jones, Mrs. C. Alexander, Mrs. W. G. Moore, Mrs. P. Peacock, Mrs. Reid and Mrs. W. P. Peacock. Purdy muted and vocal numbers were presented by the following: Miss Evelyn, Miss Marie Vowles, Miss Vivian Bush and Miss Evelyn West.

The entertainment was brought to the audience by the visiting committee "Mother," "The Old Spinning Wheel," "My All-Power," "Lullaby" and "Home Sweet Home." The cast included Mrs.

Whyte, Mrs. A. Reid, Mrs. W. Armstrong, Mrs. J. Jones, Miss Catherine Pebernart and Misses Thomas, J. Jones, Trefo Jones and Keith Alexander. During the presentation of the tableau, the following amateur and moderately suitable vocal numbers: Mrs. Floyd, Miss Lillian Reid, Mrs. Wm. Allan, Miss Elsie Fryatt and Mrs. M. Pebernart.

Rev. William Allan acted as chairman.

#### ROYAL OAK

The women's auxiliary of St. Michael's Church held their monthly meeting Tuesday afternoon with Miss K. Oldfield in the chair. Plans were discussed for a dinner to be held in the Royal Oak Hall on May 7.

Plans were also made by Mrs. F. Comley on the annual meetings held in Victoria.

A meeting of the Royal Oak Boy

Scout committee was held Tuesday evening at the home of Mrs. T. Stevenson, West Saanich Road. Plans were discussed to have the investiture of the boys in the near future. Arrangements were made to attend the rally to be held at Ladysmith Park. Erection of a building for scouts was discussed.

The study class of the women's branch of the Oxford Group met at the vicarage Monday afternoon.

Prof. J. Stoklasa of the Czechoslovak agricultural school at Prague says that, to attain long life, a person should live a comparatively simple life, three wise choices of clothes, which contain plenty of iodine.

Bunches of small onions were worn as corsages by the ladies of the court of Queen Elizabeth.

#### JEWELRY AIDS BEAUTY

A dainty necklace of seed pearls enhances the beauty of Irene Beale's slim throat. She wears no bracelet, rings or earrings with this particular necklace.

By ALICE HART

Any girl who wants to be well groomed should think of her clothes and accessories as the setting in which her natural beauty is framed. In other words, wearing apparel and the extras in a wardrobe should be chosen to suit her type, to enhance her best physical characteristics.

For instance, if you have a perfectly beautiful throat, why cover it up with a heavy, wide necklace? Stick to rather dainty, single-strand beads or wider ones, none all alike.

Where it comes to rings and bracelets, the rule is reversed. If your hands and arms are particularly nice, you should wear at least one bracelet and one ring. Don't wear a bracelet above the elbow and never put a ring on your index finger.

Coffin's jewelry is positively intriguing this year. Tiaras which were so popular last winter have been replaced by daintier, less conspicuous ornaments that are to be tucked between the points of two waves, in front of the ears or across the part where bangs are cut. One New York jeweler shows a stunning example of this kind of hair diamond-studded balls stuck casually into the bun that's pinned high up on the crown of the head. Another states the star-shaped ornaments all over the top of the waves and suggests bracelets to match.

Bracelets, by the way, are smaller than formerly. Little button-shaped ones are better than the long, dangling varieties and those that clip on are the newest. Incidentally, clip earrings and a matching dress clip are a nice accent to a street dress.

#### HEAR PLAN TO ALTER BY-LAWS

#### Trades Council Considers Reorganization of Present Constitution

Amendments aimed at increasing membership in the council, barring party politics from discussions, and assuring all delegates being paid up working members of their respective unions, were introduced at yesterday evening's meeting of the Trades and Labor Council when constitutional changes were considered.

The plan was the first step in the council's move toward reorganization following the announcement at the last meeting that the Typographical Union had withdrawn because of differences in which the central body was administered.

After an interview with representatives of the council last Sunday, the types agreed to maintain their membership if constitutional amendments would be considered. Present delegate representation is restricted to the number of each local having two delegates for fifty or less members and one additional delegate for every additional fifty members. It is proposed that two delegates should be named for every twenty-five members, and that there should be an additional twenty-five.

#### POLITICS OUTSTED

It is also suggested that every delegate must be a working craftsman or an engineer except in the case of newly organized unions. Party politics are to be definitely ousted from the council discussions.

The proposals have passed a com-

mittee of the council, and now await endorsement by the locals before being embodied in the constitution.

The break with the types was re-

sumed at yesterday evening's meet-

ing, and it was explained that the proposed adjustments had satisfied their demands for a change.

#### GAY PRINT

#### Tourist Praise And Criticism

"More Directional Signs Needed," "Like the Change From the U.S.," "Too Much Jay-walking," "Losing the British Atmosphere," Visitors Say

Following are extracts from questionnaires sent out by the Victoria and Island Tourism Bureau, seeking news and suggestions from summer tourists and asking what features appealed to them on Vancouver Island:

"Object to auto camp and hotel owners' actions and efforts on our camping Canada from visitors."

"It is great fun riding bicycles to see fruit on either side of the border."

"You might put in a few more directional signs."

"Golf, tennis, quiet."

"Your beautiful roses."

"We like your country and will come again. We didn't come to get a drink. We can do that at home."

"Golf, tennis."

"We were interested in learning something of the lives and customs of people in a country different to the United States."

"Too much jay-walking. Residents do not obey traffic rules."

"Would suggest the general public be taught a little more pleasing manner to tourists."

"We were attracted by the old country English atmosphere."

"Enjoyed all."

"It is good to us Victorians has lost some of the British atmosphere that we enjoyed so much several years ago."

"Of the twelve states we covered and the lovely people we met everywhere, none compared to Victoria."

"Golf."

"Boating and salmon fishing."

"A lovely place for vacation. I would not go so far from us."

"If they would level up that washboard highway between Nanaimo and Victoria, it would help to prolong the lives of a lot of cars, to say nothing of humans."

"Your country in beauty is beyond compare."

"We came to see the English stores."

"I am sold on Vancouver Island and am telling my friends about the wonderful vacation I spent there."

"Fishing and lake fishing."

"Please improve your roads."

"We got the biggest thrill out of our ferry trip and being searched after we went back to the United States."

"We came primarily to see your museum and because Vancouver Island is one of the first stopping places of one of the early American migrants from Asia."

"We will come to Victoria again next year if we are not broke."

#### KRATING

On Thursday evening, April 18, in the Victoria Hotel South Beach Rotarian Institute will be hosts to members of the South Saanich Women's Institute at a social gathering.

A Committee has arranged an automatic piano machine to be used in decorative walls and ceiling.

The U. S. Department of Commerce estimates that restaurants get 25 per cent of the tourist dollar.

#### Here's Way Science Now Relieves Pain in Minutes

##### BAD HEADACHES, NEURITIS AND RHEUMATIC PAINS

##### BASED ALMOST AT ONCE

Remember the pictures below when you are fed up with pain. Aspirin does even a bad headache away often in a few minutes. The method doctors prescribe. It is made in Canada, and all druggists have it. Look for the same Bayer in the form of a cross on every Aspirin tablet. Get tin of 12 tablets or economical bottle of 24 or 100 tablets.

##### Why Aspirin Works So Fast

Drop an Aspirin tablet in a glass of water. Before it touches the bottom, it is dissolved.

IN 2 SECONDS BY STOP WATCH An Aspirin tablet starts to dissolve and go to work.

## THIS NEW SANDMAN MAKES SLEEP DIFFICULT

The air was hot. The sun shone. The sun beat against trees, trees and buildings. Struggling new crops covered with a gritty, fatal pall. Cattle following the spray of suffocation. These are the often-told tales of the catastrophic dust storms that have wrought havoc in the great grain belt of America west of the Mississippi, as soil is torn from the parched prairie and scattered over thousands of miles. Now comes the human side of the picture. Margaret Bourke-White, in this exclusive photograph for The Times, graphically portrays the plight of a Texas farm mother and her son who sleep exhausted, worn out by their two-week battle against the storm. Even closed windows and doors are futile barriers against the invades of the dust; so to escape smothering they lie in bed with towels covering mouths and nostrils. Sleeping fitfully, they awoke only to review the new havoc of the wind.

## MANY JAPANESE GOING TO BRAZIL

Associated Press  
Rio de Janeiro, April 4.—Paul de Paiva resigned yesterday as commissioner of immigration in the ministry of labor, protesting what he said was excessive Japanese immigration to Brazil. He claimed 6,000 Japanese had

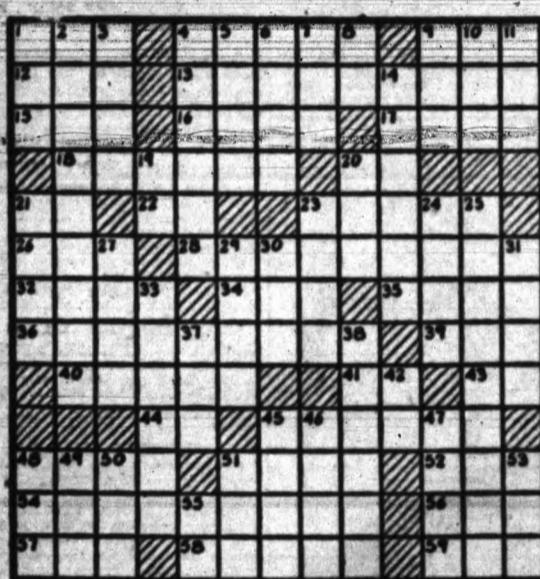

entered through the port of Santos alone between January 1 and March 31 this year, while the constitution of last July specifies that total entries in a year of Brazil shall be only 2,000 a year.

He protested that the Ministry of Foreign Relations, the police, and even the judiciary, placed themselves at "the service of foreigners against the interests of the nation."

Air concussion caused by exploding bombs thrown high have dislodged threatening avalanches on the Bernin Pass in Russia.

## Today's Cross-Word Puzzle

By George Murray

**HORIZONTAL**  
1—Small amount  
2—Who is the author of "Farewell to Arms"?

**VERTICAL**  
1—Name of the dog  
2—Where is the tomb of the Unknown Soldier?  
3—Cannibalism  
4—Name of the musical scale

## Haupmann Story Is Voted Biggest

Canadian Press  
New York, April 4.—The birth and daily care of the Dionne quintuplets vied with the New Jersey trial of Bruno Hauptmann for the leading news stories of the last year, in a poll of journalism students at New York University, announced yesterday.

After a neck-and-neck race, the lengthy trial which brought the death sentence to the New York carpenter, was given ninety-one votes and first

place. The multi-offering of Mr. and Mrs. Oliva Dionne drew eighty-seven votes, while the St. Louis Cardinals' nine-inning game, 126 lives, was given eighty-three votes.

## RIFLE MEETING

The annual meeting of the Victoria and District Military Rifle Association will be held at the Armories next Tuesday, at 8:30 o'clock.

## WESTS PRACTICE

## BIRTHDAY LUNCHEON

Of the Sir James and Lady Douglas Chapter Imperial Order Daughters of the Empire

Friday, April 5, 1935

In keeping with its custom, "The Bay" has honored the traditions of the past and given the memory of our beloved Queen Elizabeth the chapter is celebrating its 25th anniversary with an elaborate luncheon. The luncheon will be followed by a fashion show in which models dressed in clothing created by members of the chapter attended its original organization. The public is invited to attend this interesting event.

Luncheon at 12:30, 50¢

—Victoria Restaurant, Fourth Floor of "The Bay"

## News for Knitters

We've opened a new Knitting Section in the Art Needlework Department, and now you can bring your knitting and spend the whole afternoon at it if you wish. A competent instructor will be in charge to give you suggestions or help you with any difficulties.

12:30 to 5 o'clock Each Afternoon

Except Wednesdays

VICTORIA, B.C., THURSDAY, APRIL 4, 1935

## CLASSIFIED ADVERTISING TELEPHONES—E4175, E4176

## Victoria Daily Times

Member Audit Bureau Circulation

TELEPHONES  
8 a.m. to 8 p.m.—Circular Advertising  
\$1.00 per word per insertion.CLASSIFIED ADVERTISING RATES  
\$1.00 per word per insertion.  
\$1.00 per line per month.  
Minimum charge \$1.00.

Service, \$1.00 per insertion.

Mortgage, \$1.00 per insertion.

Death, \$1.00 first insertion, and \$1.00

subsequent insertions.

In computing the number of words in an advertisement, estimate groups of three or four figures as one word. Dollar marks and all abbreviations count as one word.

In estimating the number of lines in an advertisement, count five words for the first two lines and seven words for each line thereafter. This is not an absolute guide to the number of lines, much depending on the length of the individual words.

The Times will not be responsible for more than one insertion of any advertisement carried for more than one week. Any claim for rebates on account of errors or omissions must be made within thirty days from the date of the issue; otherwise the claim will not be allowed.

Advertisers who desire to have copies addressed to a box at The Times Office and forwarded to their private address. A charge of 10¢ is made for this service.

Subscribers wishing their address changed should notify this office as well as the carrier. If your Times is missing, phone E4175 before 8 p.m. and a copy will be sent by special messenger.

# Stanley Cup Hockey Final Opens To-night At Toronto

## THE SPORTS MIRROR

### Maple Leafs Are Slim Favorites To Beat Maroons

Odds Favor Toronto 6 to 5 to Capture World Professional Championship

#### BOTH CLUBS AT FULL STRENGTH

By ELIAS DULMAGE  
Canadian Press Staff Writer

Toronto, April 4.—The best hockey team in the world—that is, the best day-in-day-out machine over a forty-eight-game stretch—enters the classic Stanley Cup stage here to-night as just one of two challengers for the prize won a year ago by Chicago.

It was Gehrig who when he left from Columbia University to the Yankees, and despite all his remarkable achievements, the modest Gehrig youth was content with what comparatively few superlatives were offered him and wrote off his record-making about 100 mighty home runs.

But everything comes to him who waits. Ruth, who openly sought the management of the Yankees and who married it, in the opinion of the vast majority, has gone to the Boston Braves, where next year he is expected to realize his ambition. And Gehrig, who so patiently stood by his background, is now a national candidate for what perhaps is the foremost position in the game.

There are four good reasons why Gehrig is headed for the Yankee post. He is equipped for it.

He is Colonel Ruppert's pet ball player. The multi-millionaire owner has manifest faith in him. He is to the New York public.

Two sports writers were discussing the lack of tact and diplomacy of Bill Terry, manager of the New York Giants, when Gehrig remarked, "Geo, how'd I like a chance like that."

It was the first intimation that Gehrig was to be a favorite of the game. McCarthy always sets his appraisals of young players. Gehrig pegged Johnny Groves the first time the bespectacled right-hander threw to him in batting practice. Gehrig came into the clubhouse and told McCarthy that if the Yale product had control he was ready to pitch in the American League.

Gehrig always has been extremely popular with teammates, and a great change came over him a year ago. Ruth or no Ruth, he came out of his shell—commenced to assert himself. Estimates give Mr. Gehrig much of the credit for this.

Now, with Ruth removed, Gehrig is more popular than ever. Unlike Ruth, Gehrig never has given Colonel Ruppert any trouble. Outside of his first two years, when he was farmed to Hartford, Gehrig never has played professional ball for any other club.

Lou reveals that the main reason he has raised his health to keep his consecutive game record—it reached 1504 last fall—was because it pleased Colonel Ruppert.

"I signed," he says, "the coldest necktie failed to say, 'I hope you hit .400.'" claims Hungry Lou. "Now he says, 'You're going to keep on playing, aren't you?'

Gehrig has all the ingredients required by an outstanding player—manager, and he is the more remarkable that the Yankees have reaped this from the gracious shape from the sidewalks of New York?

Writing in the Victoria Daily Times, Vancouver News Herald, Jimmie Kennedy has the following to say on the question of referees in British Columbia basketball:

"The crowd was out on the game and gave a rousing ovation in Penticton, disgruntled with the arbiter's rulings. 'Varsity's senior A hoopers base part of their protest of the final game in Victoria on the action of the referee."

"Referencing during the series has generally drawn criticism from all sources."

"The above all points to the fact that there's something wrong with the British Columbia Basketball Association's system of choosing referees. In tossing out the protest of the University team, the British Columbia executives decided that Lefebvre's actions were under fire, was a qualified referee and so nothing could be done about his decisions."

"As present the British Columbia referee board names its referees through the exam system and floor work tests. Apparently the exam system has flunked, not the referee."

"Some referees of yesterday have returned to me to tell me Gehrig who were known to be in the class of the whiteknobbers failed to pass the test."

"In going independent in its picking of referees, the British Columbia exams have ignored the old system of having a committee decide who got referred to the test. This is another reason that will help the game instead of making it the object of ridicule. It should consider the performances of referees working under fire."

The basis for the above recommendations comes from the fact that when using the old system of picking refs with some precision, no protest was ever filed on a British Columbia referee board final."

#### Japanese Claims Marathon Record

Victoria, April 4.—NEW WORLD marks for the marathon of 3 hours 55 minutes and 45 seconds was claimed yesterday by Yuzo Hoshino, Tokyo student. He made the time in a meet for prospective Japanese entrants in the 1936 games.

Officials said the course was the regulation Olympic marathon length. The Olympic record is 2:51:30 made by Juan Carlos Ruiz of the Argentine at the 1932 Olympics in Los Angeles.

There are no listed world marathons which make much of a comparison. Very recently the United States A.A.U. record of 2:42:30 was made by Dave Koenigsmann, Hudson, Ont., June 9, 1934, at Washington.

#### MONARCHS TO MEET WESLEYS

Crack Junior Hockey Squads in Second Game of Western Final To-night

Winnipeg, April 4.—The battle of speed and guile that lifted Winnipeg Monarchs within reach of western Canada's junior hockey prize will be resumed here to-night. The Monarchs defeated Crack Junior Hockey Squads 5 to 4 in the first game of a two-out-of-three series here Tuesday night. The winner will qualify to meet Sudbury Wolves in the Memorial Cup final.

The Monarchs have done it all over again, leading the Canadian section from start to finish. They will be the ones to move on to the M.H.L. if they win the final.

Monarchs, however, did not do it alone. They beat the best of the series here Tuesday night.

**MONARCHS AS STRONG**

Monarchs, a big, fast and experienced team with Thomas F. Gorman directing, rated to-day as virtually as strong as the Leafs in a five-game series. The so-called greatest team in the world had a tight edge in the game, and each side was evenly divided between the Leafs and Monarchs. That was all.

Throughout the season—but not now—the Leafs maintained a record much superior to that of the Monarchs. They had a better record to-fight in the section and opened their play-off campaign by taking the Stanley Cup from Chicago. Then they defeated New York Rangers. They won two of three games and tied the other two.

They come into town yesterday evening to find only two or only three to a game their chance of upsetting the Leaf. Manager "G" or Neil hoped Maroons would get an even break in the two games here to-night and Saturday. The next two will be played at the same time, while the fifth is necessary in Montreal and if a fifth is necessary in the two games here to-night and Saturday.

The next two will be played at the same time, while the fifth is necessary in Montreal and if a fifth is necessary in the two games here to-night and Saturday.

Monarchs, however, did not do it alone. They beat the best of the series here Tuesday night.

**CRACK JUNIOR HOCKEY SQUADS AS STRONG**

Crack Junior Hockey Squads announced there would be no change in line-up. "Dunc" Farmer, astute director of Wesleyan strategy, had no comment to offer on the outcome of the first contest. "We'll be playing hockey Thursday night," was the only opinion vouchsafed. Harry Neill, who coached the Monarchs to the western crown in 1933, was equally confident.

Coaches of both teams announced there would be no change in line-up. "Dunc" Farmer, astute director of Wesleyan strategy, had no comment to offer on the outcome of the first contest. "We'll be playing hockey Thursday night," was the only opinion vouchsafed. Harry Neill, who coached the Monarchs to the western crown in 1933, was equally confident.

Ottawa, April 4.—Sudbury Cub Wolves, who went through the eastern Canada Memorial Cup playdowns without the loss of a game, left here yesterday evening, en route to the 1935 Allan Cup final.

The Cub was present a fast-starting band of forwards, good on the attack and a real mauler, a result featured by Chuck Shannon, one of the best northern juniors of recent years, and a cool goal-scorer who has proved his worth under fire.

The team averages 160 pounds for the eleven players with an average age of eighteen years.

**PROBABLE LINE-UPS:**

Winnipeg: Murdoch; Wentworth, Evans, Smith; Ward and Northcott, Hubs; L. Conacher, Shields, Blane, Robinson, Trotter, Marker, Cain, Grade and Miller.

If Cub are successful against the westerners it will be their second Memorial Cup in three years.

The Cub was present a fast-starting band of forwards, good on the attack and a real mauler, a result featured by Chuck Shannon, one of the best

northern juniors of recent years, and a cool goal-scorer who has proved his worth under fire.

The team averages 160 pounds for the eleven players with an average age of eighteen years.

**HAS PROSPECTS NOW**

Joe Cooper, husky Winnipeg defenceman, who played for Brooklin Hamilton Crescents this season, will give a tryout with the Rangers next week, as will Neil and Mac Collie, forwards, and Bert Gardner, goalkeeper, all of Edmonton, and Alex Shishko, forward, of Winnipeg.

The Cub was present a fast-starting band of forwards, good on the attack and a real mauler, a result featured by Chuck Shannon, one of the best

northern juniors of recent years, and a cool goal-scorer who has proved his worth under fire.

The team averages 160 pounds for the eleven players with an average age of eighteen years.

**WOODS-ROSS BOTH READY**

Taper Off Training To-day For Title Bout in Seattle on Tuesday

Seattle, April 4.—Henry Woods, Yukon negro lightweight, worked out in seclusion again yesterday, and is nearing the peak of condition for his bout next Tuesday night with Harry Ross, Chicago, Negro's junior welterweight world title will be at stake.

Woods took it easy at the start of yesterday's workout with Russ Polino and Ketsume Morita. Then he opened up in two fast rounds with Bobbi Luscombe, bantamweight Bobbi Luscombe, bantamweight

Bob

# Recovery In Grains Induces Upswing In Wall Street Prices

**Associated Press**  
New York, April 4.—Stock market prices, generally, moved into higher territory to-day coincident with another grain recovery in grains at Chicago. Caution, however, was the rule throughout, however, and market gains were spotty tended to restrict the advance.

The close was fairly firm. Transamerica advanced \$50,000 shares.

Shareholders of fractions to a point in New York included Santa Fe, Union Pacific, Western Union, General Motors, Chrysler, Chas. Standard Oil of New Jersey, and California and American Tobacco. "A" Wilson & Company preferred gave up about 5 cents to 10 cents to prevent carrying out of the Wilson recapitalization plan which was filed by a stockholder at Wilmington, Del.

Small-Alts Glass dropped more than three and the Canadian gold mining stocks were reactionary.

Entro. Corp. gained more than two and Dowell fell slightly to much up again, down off fractionally to 51 1/2 after following the de-

listing move of the New York Stock Exchange.
